January 2023

Spring Scientific Meeting
Saturday 11th March

Our annual Spring Scientific Meeting is being held at One St George Street, London next month.

This year the BES celebrates its' 60th Anniversary and our meeting is aptly entitled '**Endodontic Research - Past Perspectives and Future Directions**'.

The meeting will include:

- Welcome and Presidential Address from new BES President, **Mr Alyn Morgan**.
- Lectures from International Speakers (see below)
- Trade Exhibition
- AGM (BES Members only)
- BES Awards Presentation
- Food and Refreshments giving the ability to network with colleagues

The meeting qualifies for 5.5 hrs of verifiable CPD under outcome C and we are proud to have the following international speakers supporting the event, as follows:

- **Dr Hal Duncan**, University of Dublin, IEJ Editor
- **Dr Nikita Ruparel**, University of Texas
- **Dr Christos Boutsoukis**, ACTA, The Netherlands
- **Dr Frank Setzer**, University of Pennsylvania

Book your place today!

Awards & Prizes 2023

February Deadlines

In recent years the BES has proactively introduced an increasing number of awards in the field of endodontology, from awards to encourage the new generation of dentists, early careers awards, aspiring research prizes through to acknowledging the outstanding skills and vital role played by lecturers at our UK Dental Schools.

February marks the closing date for entries for the following prizes and awards:

- Aspiring Endodontic Researcher Prize (1st Feb)
- Outstanding Clinical Case Award (1st Feb)
- Harty Essay Prize (1st Feb)
- BES Poster Prize (28th Feb)

Please note, all entries should be submitted before 23.59 hrs on the closing date.

Further details can be found in the link below.

Grants for Research Work

31st January deadline

BES members as lead researchers is an essential part of progressing and advancing the future of endodontology. In recent years the BES has awarded a number of grants for such project work, some of whom are highlighted here.

The application deadline for our annual grants towards equipment and materials for an endodontic related research project being carried out in the UK by qualified dentists is the

end of this month.

For 2023 awards will be granted to the value of £35,000 and it will be at the discretion of the Research Panel whether this is awarded as one large award or a number of smaller ones.

Membership Renewal 2023

Have you renewed your membership or are you looking to join the BES?

If you are not yet a member now is an ideal to join us!

Our self-service membership portal makes joining and membership renewal a simple and straightforward process.

One of our key objectives is that lifelong education and membership to the society is encouraged for all dentists or for anyone at any stage of their endodontic career.

Society events and programmes have something that will appeal to all, from those at the early careers stage right through to the seasoned endodontist.
