

Dear Member

I would like to take this opportunity to welcome you to the British Endodontic Society. The Society holds two meetings a year and details of these can be found on the web-site. You will also be sent paper copies of the programmes as they become available. You will also receive a copy of the International Endodontic Journal on a monthly basis. Subscriptions to the Society are due on 1st January each year and so your next subscriptions will be due 1st January 2009. A reminder will be sent.

Could I ask all members to visit the site www.britishendodonticsociety.org.uk and to update their details. In future members can update their details at any time and this will automatically update the Journal details. They can also stipulate whether their contact details can be seen by Society Administration only, BES Members or the general public. The site will also provide information to members and the general public and we hope that it will prove to be a very useful and informative information tool.

You will be asked for your 'user name' and 'password'. You should find these in your welcome email, but you can also request them using the 'reminder' feature by supplying your email address or by phoning Annabel Thomas, BES Administrator on 01494 581542 or Steve from Canterbury Web on 01843 571500.

Welcome to the British Endodontic Society.

Yours faithfully

Michael Waplington
Honorary Secretary
